Weekly Reflection

You have only to breathe. That's all.
Breathe in and out.

The next moment will follow. As will
the next day.

You are not responsible for the
running of the universe.

All that was can be left behind.
All that is yet to be is unknown.
It will come, it will be, it will pass.

To be, breathe.
To act nourishingly, breath gently.

Brother Richard in "Calming the Storms"
